

Privacy Policy

Effective Date: July 1, 2026

TriSha Technologies & Trading (“TriSha,” “we,” “us,” or “our”) operates two complementary business divisions: a **Technology Division** providing AI, software engineering, blockchain analytics, and digital infrastructure services, and a **Trading Division** providing metal trading, scrap wholesale, and general import & export services. This Privacy Policy explains how we collect, use, disclose, and safeguard your information across both divisions when you visit our website, engage our services, or otherwise interact with us.

By using our services or providing us with your information, you consent to the practices described in this Privacy Policy.

1. Information We Collect

1.1 Personal Information

We may collect the following personal information:

- Name and contact details (email, phone, address)
- Company name and business registration information
- Job title and role
- Payment and billing information
- Tax identification numbers

1.2 Trading & Business Information

In connection with trading transactions, we may collect:

- Purchase orders and transaction history
- Product specifications and requirements
- Shipping and delivery details
- Communication records (emails, calls, meetings)

1.3 Technology Client & Project Information

In connection with technology engagements, we may collect:

- Project requirements, technical specifications, and business objectives shared during scoping
- Source code, datasets, and system access provided for AI, software, or infrastructure engagements
- Login credentials and API keys required to deliver hosting, integration, or support services
- Application, hosting, and infrastructure usage and performance data

1.4 Technical Information

When you visit our website, we may automatically collect:

- IP address and device information
- Browser type and version
- Pages visited and time spent
- Referring website and search terms

2. How We Use Your Information

We use your information for the following purposes:

- Processing and fulfilling trading orders
- Scoping, developing, and delivering technology projects
- Providing hosting, infrastructure, and ongoing technical support
- Managing customer relationships and communications
- Providing quotations and negotiating contracts
- Processing payments and maintaining financial records
- Improving our products and services
- Complying with legal and regulatory requirements
- Sending marketing communications (with your consent)
- Conducting credit checks and fraud prevention
- Analyzing website usage and improving user experience

3. Legal Basis for Processing

We process your personal information based on:

- **Contractual necessity:** to fulfill our obligations under contracts with you, whether for a trading transaction or a technology engagement
- **Legitimate interests:** to operate our business, prevent fraud, and maintain security
- **Legal obligation:** to comply with laws, regulations, and legal processes
- **Consent:** where you have given explicit consent for specific purposes

4. How We Share Your Information

4.1 Service Providers

- Shipping and logistics companies
- Payment processors and financial institutions
- Cloud hosting and infrastructure providers
- Software and AI tooling vendors
- Quality inspection and certification agencies

4.2 Business Partners

- Suppliers and vendors (with necessary information only)
- Insurance providers

4.3 Legal Requirements

We may disclose information when required by law, to:

- Comply with legal processes and government requests
- Enforce our terms and conditions
- Protect our rights, property, or safety
- Prevent fraud or illegal activities

5. Data Security

We implement appropriate technical and organizational measures to protect your personal information:

- Encryption of sensitive data in transit and at rest
- Access controls and authentication procedures
- Regular security assessments and updates
- Employee training on data protection
- Secure backup and disaster recovery procedures

For technology engagements, access to client systems, credentials, and source code is restricted to authorized personnel on a need-to-know basis.

No method of transmission or storage is 100% secure. While we strive to protect your information, we cannot guarantee absolute security.

6. Data Retention

We retain your personal information for as long as necessary to:

- Fulfill the purposes described in this policy
- Comply with legal and regulatory requirements (typically 7 years for financial records)
- Resolve disputes and enforce our agreements

Technology project data, source code, and system access are retained only as long as necessary to deliver and support the engagement, or as otherwise agreed in the applicable service contract. After the applicable retention period, we will securely delete or anonymize your information unless longer retention is required by law.

7. Your Privacy Rights

Depending on your jurisdiction, you may have the following rights:

- **Access:** request a copy of your personal information
- **Correction:** request correction of inaccurate information
- **Deletion:** request deletion of your information (subject to legal obligations)
- **Restriction:** request limitation of processing
- **Portability:** receive your data in a structured, machine-readable format
- **Object:** object to processing based on legitimate interests
- **Withdraw consent:** withdraw consent for marketing communications

To exercise these rights, please contact us using the details in Section 12 below.

8. Cookies and Tracking Technologies

Our website may use cookies and similar technologies to:

- Remember your preferences and settings
- Analyze website traffic and usage patterns
- Improve website performance and user experience

You can control cookies through your browser settings. However, disabling cookies may affect website functionality.

9. International Data Transfers

TriSha Technologies & Trading operates internationally, with our registered office in Ajman, United Arab Emirates, and operations in Bengaluru, India. As a result, your information may be transferred between these locations and to other countries where our service providers operate. When we do so, we ensure appropriate safeguards are in place, including:

- Standard contractual clauses
- Adequacy decisions by relevant authorities
- Other legally approved transfer mechanisms

10. Third-Party Links

Our website may contain links to third-party websites. We are not responsible for the privacy practices of these sites. We encourage you to review their privacy policies before providing any information.

11. Children's Privacy

Our services are intended for business purposes and not directed at children under 18. We do not knowingly collect information from children. If you believe we have inadvertently collected such information, please contact us immediately.

12. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or legal requirements. We will notify you of significant changes by:

- Posting the updated policy on our website
- Updating the “Effective Date” at the top
- Sending email notifications for material changes

Your continued use of our services after changes constitutes acceptance of the updated policy.
