

# Shipping Information

Last Updated: July 2026 · Trading Division

---

*This Shipping Information applies exclusively to physical products shipped by the **Trading Division** of TriSha Technologies & Trading — aluminium ingots, scrap, and related metal products. Our **Technology Division** delivers software, infrastructure, and digital services and does not involve physical shipment; engagement and delivery terms for technology services are set out in our Terms & Conditions.*

## 1. Overview

TriSha Technologies & Trading is committed to ensuring reliable and efficient delivery of all aluminium products handled by our Trading Division. This document outlines our shipping policies, procedures, and important information for all trading customers.

## 2. Shipping Methods

### 2.1 International Shipping

We offer comprehensive international shipping solutions for bulk aluminium products:

- **Sea Freight:** primary method for bulk orders (containers and break-bulk)
- **Air Freight:** available for urgent orders or small quantities
- **Rail Freight:** available for select routes within Asia and Europe

### 2.2 Domestic Shipping (India)

- **Road Transport:** standard delivery via truck for most domestic orders
- **Rail Transport:** cost-effective option for large volume shipments
- **Express Courier:** available for small sample quantities

## 3. Delivery Terms (Incoterms 2020)

We support the following Incoterms for international transactions:

- **FOB (Free On Board):** our facility or designated port
- **CIF (Cost, Insurance & Freight):** to destination port
- **CFR (Cost and Freight):** to destination port
- **EXW (Ex Works):** collection from our warehouse
- **DDP (Delivered Duty Paid):** available upon request

## 4. Estimated Lead Times

### 4.1 Processing Time

- Standard Orders: 5–10 business days
- Custom Specifications: 15–30 business days
- Sample Requests: 2–5 business days

### 4.2 Transit Time

Transit times vary based on destination and shipping method. Typical ranges:

- Domestic (India): 3–7 days
- Asia-Pacific: 10–20 days (sea), 3–5 days (air)
- Middle East: 15–25 days (sea), 4–6 days (air)
- Europe: 25–35 days (sea), 5–7 days (air)
- Americas: 30–45 days (sea), 6–8 days (air)

## 5. Packaging and Handling

All products are carefully packaged to ensure safe transport:

- **Aluminium Scrap:** bundled and secured with steel strapping
- **Aluminium Ingots:** stacked on wooden pallets, secured with banding
- **Cathodes:** individual wrapping with moisture protection
- **Weather Protection:** tarpaulin or shrink wrap for sea shipments
- **Container Loading:** professional loading supervision available

## 6. Required Documentation

Standard shipping documentation includes:

- Commercial Invoice
- Packing List
- Bill of Lading / Air Waybill
- Certificate of Origin
- Quality Certificate / Mill Test Certificate (upon request)
- Insurance Certificate (if CIF terms)

## 7. Shipment Tracking

We provide comprehensive tracking information for all shipments:

- Shipment reference number provided upon dispatch
- Real-time tracking updates via email
- Proactive notification of any delays
- Estimated delivery date updates

## 8. Insurance

Insurance coverage options:

- **CIF Terms:** insurance included in the price
- **FOB/CFR Terms:** buyer responsible for insurance
- **Optional Coverage:** additional insurance available upon request

We recommend comprehensive marine cargo insurance for all international shipments. We can assist in arranging coverage through our insurance partners.

## 9. Pre-Shipment Inspection

Quality assurance services:

- Third-party inspection services can be arranged

- SGS, Bureau Veritas, or other certified inspectors
- Inspection costs typically borne by the buyer
- Inspection reports provided before shipment

## 10. Damage and Claims

In the event of shipping damage:

- Inspect goods immediately upon receipt
- Note any visible damage on the delivery receipt
- Notify us within 48 hours of delivery
- Provide photographs and a detailed description of damage
- Retain all packaging materials for inspection

Claims must be filed within 7 days of delivery. We will work with carriers and insurance providers to resolve all valid claims promptly.
